Fun for all the Family at George Thomas Hospice

On Saturday 4th July, Julie Morgan, MP for Cardiff North, will be opening this year's Family Fun Day at George Thomas Hospice. The fun day was well attended last year and a great success. Organisers have promised this year's event will be even bigger and better! It will be held on the grounds of Whitchurch Hospital between 11.00am and 3.30pm.

George Thomas Hospice provides specialist palliative care for sufferers of a number of life-threatening conditions. The hard work of Hospice staff is widely recognised and valued by patients and their families. This year they have been celebrating their twenty-fifth anniversary with a series of celebratory events.

Julie said,

“The fun day promises to be a real treat with activities throughout the day for people of all ages. There are plenty of stalls selling very attractive, handmade produce. Or if you're feeling particularly sporty, there will be all manner of sports day style races. Or you may just feel like sitting back and soaking up the summer atmosphere – I hear there will be a beer tent. I just hope the lovely weather holds out until the weekend. So come along, show your support, and most importantly enjoy yourself!”
