

JULIE MORGAN FOR CARDIFF NORTH

WHY?

- **Parliamentary Expenses:** One of “THE SAINTS” – *Daily Telegraph*, May 23rd 2009.
- **Independent-Minded MP:** Voted against the war in Iraq, against top-up tuition fees, and against the renewal of Trident. Supported the Gurkhas from the start of their campaign.
- **Active Backbench MP:** One of the very few backbenchers to get her own Act of Parliament on the statute book – an Act to stop under-18s from using sunbeds. Regularly raises issues on the floor of the House of Commons.
- **Supports Electoral Reform:** Supported Proportional Representation for the Welsh Assembly and believes that there should be a system of PR for Westminster elections. Supports a totally elected second chamber.
- **Supports Families and Children:** Supported huge increases in Child Benefit, Child Tax Credits and the right to request flexible working, chairs Children in Wales group in Parliament, supports Foundation Phase in infant education.
- **Campaigns Vigorously on Local Issues:** Fighting for Cardiff Bus passengers, fighting for Llanishen Reservoir, fighting for ASW pensioners, fighting for local Equitable Life members.
- **Supports Women:** Chairs Sex Equality group in Parliament, supported increased maternity leave and pay (and agrees with an increase in paternity leave), and stronger domestic violence legislation.
- **Supports Older People:** Supported free bus passes, pension credits, the Winter Fuel Payment, free eye-tests, free TV licences for the over-75s.
- **Supports the Environment:** Supported Acts on sustainability and Climate Change.
- **Helps Constituents:** Runs both a fully staffed office and casework office in Cardiff North and has helped thousands of constituents with problems.
- **Supports Progressive Measures:** Voted for the ban on fox hunting, for Civil Partnerships, the National Minimum Wage, no smoking in public places, free entry to national museums.

Julie Morgan: “... a high-profile and hard working MP...”
***The Guardian*, March 10th 2010**
