

**KEEP THE TORIES OUT ▪ KEEP A PROGRESSIVE MP IN**

**RE-ELECT  
JULIE MORGAN**

**LABOUR CANDIDATE  
FOR CARDIFF NORTH**

I invite you to join with progressive forces here in Cardiff North and to vote for me.  
Keep the Tories out in Cardiff North. Make sure that you are represented by someone who believes in progressive policies.

**LIB-DEM LEAFLET IS MISLEADING**

You may have received a Liberal-Democrat leaflet claiming that only their candidate can beat the Tories in Cardiff North.

This is a real misrepresentation of the position here and is extremely misleading.

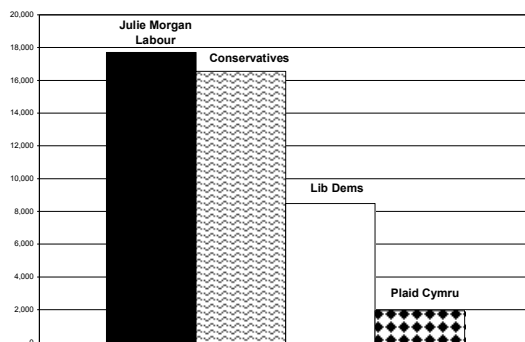

At the last general election, the Lib-Dems received 8,483 votes. I received 17,707 votes and won the seat.

The Lib-Dems would have to more than DOUBLE their votes here to win.

**This is without precedent.**

My canvass returns show that this is not going to happen.

**THE LAST GENERAL ELECTION RESULT IN 2005**

DON'T WAKE UP ON FRIDAY TO FIND THE  
TORIES BACK IN POWER

**JULIE MORGAN**

LABOUR CANDIDATE

FOR CARDIFF NORTH, THE TOP TORY TARGET SEAT IN WALES

"If you're thinking about voting Lib-Dem or Plaid, I urge you to reconsider and to vote for me.

By lending me your support, you will keep the Tories out in Cardiff North again.

This is the only way to defeat the Tory here in Cardiff North."
